

ABOUT US

Welcome to Kolkata Facilities Management, your trusted partner in comprehensive facility management solutions. With a commitment to excellence, we specialize in delivering a wide range of services tailored to meet your facility needs across Kolkata and beyond.

At Kolkata Facilities Management, we understand the importance of a clean and safe environment for your business or residential space. Our services encompass professional housekeeping, ensuring immaculate cleanliness and hygiene standards that enhance your premises' appeal and functionality. We also excel in pest control management, employing effective strategies to safeguard your property from unwanted intrusions. Our integrated approach ensures proactive measures to maintain a pest-free environment, promoting a healthier and more productive setting for all. Additionally, we offer meticulous payroll management services, streamlining administrative tasks and ensuring timely and accurate payroll processing. This allows you to focus on your core business activities while we handle the complexities of managing your workforce's payroll requirements.

Security is paramount in today's world, and Kolkata Facilities Management provides robust security solutions tailored to your specific needs. Our trained security personnel and state-of-the-art systems offer peace of mind, protecting your assets and maintaining a secure environment at all times. Committed to excellence in manpower and facility management, we go beyond conventional services to deliver customized solutions that cater to the unique requirements of each client. Whether you're a corporate office, residential complex, educational institution, or healthcare facility, Kolkata Facilities Management is dedicated to enhancing operational efficiency and maintaining superior standards of service. Partner with Kolkata Facilities Management and experience the difference in professional facility management services. Our team of experts is here to ensure your satisfaction, providing reliable support that allows you to focus on what matters most – your business success.

Contact us today to discover how we can elevate your facility management standards with our expertise and dedication. Together, we can create a cleaner, safer, and more efficient environment for everyone.

OUR ORIGIN

Kolkata Facilities Management was founded in 2010 by Nigel Akkara with a vision to revolutionize the facility management landscape in Kolkata and beyond. Nigel Akkara, driven by a passion for service excellence and a deep understanding of the industry's demands, embarked on a journey to establish a company that would set new benchmarks in facility management services. From its inception, Kolkata Facilities Management has been committed to delivering unmatched quality and reliability in every service offered. Under Nigel Akkara's leadership, the company rapidly gained recognition for its dedication to customer satisfaction, attention to detail, and innovative approach to facility management.

Starting modestly, Kolkata Facilities Management steadily expanded its service portfolio to include a comprehensive range of offerings such as housekeeping, pest control, payroll management, security services, and other manpower solutions. This diversification was driven by a commitment to meet the diverse needs of clients across various sectors including corporate offices, residential complexes, educational institutions, and healthcare facilities. Through strategic planning and a focus on continuous improvement, Nigel Akkara guided Kolkata Facilities Management to become a trusted partner for businesses seeking reliable, cost-effective, and integrated facility management solutions. The company's growth and success are attributed to its ability to adapt to evolving industry standards, incorporate cutting-edge technologies, and uphold uncompromising standards of professionalism.

Today, Kolkata Facilities Management stands as a testament to Nigel Akkara's entrepreneurial spirit and unwavering commitment to excellence. With a strong foundation built on integrity, efficiency, and customer-centricity, the company continues to lead the way in transforming how facilities are managed, ensuring environments that are safe, clean, and conducive to productivity. In the year 2016 the company took a transformation and converted the format of the company to a Private Limited Company and two more Directors Mr. Arijit Paul and Mr. Prajna Dutta joined Kolkata Facilities Management .

As Kolkata Facilities Management looks towards the future, its dedication to innovation and service excellence remains steadfast, promising continued growth and leadership in the facility management industry.
